

### REMARKS/ARGUMENTS

The foregoing amendments cancel claims 24-47, which were allowed in the parent application and claims 48 through 74, without prejudice to prosecute claims 48-74 in a separate divisional application. Claims 12-23 have been amended to depend from claim 1. Accordingly, Applicant respectfully submits that examination of both groups I and II from the December 4, 2002 restriction requirement are appropriate and place no additional examining burden upon the Examiner. Claims 1 and 75 have been amended to correct the obvious error in the structure. Early allowance of the claims is respectfully requested.

Respectfully submitted,

By:
